"Loved this powerful conversation! The conversation was so open and dialogue so real—to meet people where they are, help them embrace their own lived experiences. . . while encouraging others to embrace their own. Maybe the best session I've seen this week!"

— Forum on Workplace Inclusion Attendee

"We were hanging on every word Jennifer said—the session with her was just so great. Fabulous insights. Feedback has been how very real Jennifer is and able to get down to a level on this topic that nobody else has been able to do through her real life examples and the perspectives she shared."
